HFA's *New Perspectives* Fall Educational Program, "*Beyond Kübler-Ross: New Perspectives on Death, Dying and Grief*," will explore the most current theoretical perspectives on dying, death, and grief, emphasizing areas where understandings of dying, death, and grief have been challenged and developed since the 1969 publication of Kübler-Ross' epochal work, *On Death and Dying*.

## **Low-Cost CE Credits Available**

Continuing education contact hours (CEs) will be available through the Hospice Foundation of America for nurses, social workers, counselors, funeral directors, clergy, nursing home administrators, and more.

*Please verify CE availability with your professional or state board approval.*

There is a \$25 online processing fee per certificate, per participant up until November 30, 2011. The cost after this date is \$30 per participant (*online only*, up until November 10, 2012). Online CE instructions will be provided to you on the day of your program viewing.

**The processing fee through the mail with HFA is \$35/person – until November 30, 2011 only.** Checks, written out to HFA, will be collected on the day of your program viewing. There is a \$10 charge per participant for each *additional* certificate requested (*ex. if one individual needs two or three certificates themselves*).
