## Words From the Bishop - Deepen Faith and Witness - We are Church Together

Bishop Eaton reminds us that being church means being church together. It cannot be a solo sport. We are so aware of the "togetherness" of being church as we approach the Synod Assembly. Pastors, Associates in Ministry and voting members from every congregation in the Synod are invited to gather annually, when the whole becomes greater than the sum of the parts. For people from smaller congregations the Assembly is an opportunity to be surrounded by a large group singing boldly. For people from larger congregations it is an opportunity to meet with people whose congregational experience is quite different. We all have gifts and experiences to share, and the Assembly is a perfect time to do it.

Some of the things that will happen at our assembly, together: We will install Pastor Mark Donald as Director of Christikon on Friday night during worship. All of us will witness and pray for his ministry as Camp Director. On Sunday morning, during worship, we will ordain Tonia Fisher to the ministry of Word and Sacrament. When we have these opportunities to participate in an ordination as a whole Synod, we are reminded that this is about more than just a single individual, more than just a particular congregation. When the clergy vest and wear red stoles and gather around the ordinand, we are church together.

We are church together when we recognize the 30 LPAs who have completed their training and are ready to serve. They come from all over the Synod, from congregations small and large, and they bring different gifts to being LPAs. This program, a staple in the Montana Synod since the 1990's, is getting attention in other parts of the ELCA, and is being replicated. We are church together.

We are church together when we worship together, when we sing and pray and receive Holy Communion. We are church together when we have our "Procession of Promise" at the Assembly, bring forward our congregational intent forms that pledge our financial commitments together. We are church together when we hear the report of the Churchwide representative, and learn about what is going on in the ELCA across the church and across the globe.

Of course the assembly is not the only time that we are church together. Being church together doesn't only mean physical proximity. If that were the case, we would have a difficult time in the Montana Synod, with our vast distances. We are church together because we are all part of the ELCA, because we are all part of the Body of Christ. We are reminded of that when we add the synod's weekly prayers to our congregational prayers. We are reminded of that when we highlight synod ministries, in addition to congregational ministries. We are reminded of that when we share information about churchwide ministries, and ecumenical ministries.

We are church together whether we are next to each other or across the continent. I look forward to being church together with you next weekend at the Montana Synod Assembly. And if you are not going to be there, keep us in prayer. That's what keeps us church together.

Jessica Crist, Bishop

### Lutheran Suicide Prevention Ministry

Please pass this information on to your congregations!  
<http://www.luthersuicideprevention.org>

## Recognize these symptoms? Act before Stage 4 - take a screen at [MHAScreening.org](http://MHAScreening.org).

Changes in energy level and sleep patterns

Frequent thoughts of death or suicide

Noticeable restlessness or irritability

Feeling sad, empty, hopeless, worthless, or guilty

Difficulties with concentration or decision making

Loss of interest or pleasure in activities

Changes in appetite, eating habits, or weight

## Cost of Waiting Until Stage 4

Like any other chronic condition, mental health conditions can get worse if left untreated. This often results in crisis events like inability to work, hospitalization, homelessness or incarceration.

The good news is, mental health conditions are not only common, they are treatable – especially when they are treated early. There are a variety of treatment options ranging from talk therapy to medication to peer support. The earlier we treat mental health conditions, the easier it is for people to recover and the less it costs.

## FORUM ON THE PROPOSED RESOLUTION FOR THE REPUDIATION OF THE DOCTRINE OF DISCOVERY

One of the few but very important items of business to be considered by the 2016 Montana Synod Assembly is a Resolution for the Repudiation of the Doctrine of Discovery. This Resolution is recommended by the Montana Synod Council, and if adopted will be forwarded to the ELCA Churchwide Assembly, which meets in August, for action.

The "Doctrine of Discovery" is a legal principle that colonizing European nations who "discovered" the "New World" could claim the land, and that its Native American inhabitants had no property rights of their own.

To help our Assembly Voting Members learn more about the "Doctrine of Discovery" and the proposed Resolution for our Synod and the ELCA to repudiate it, **we will have a special Forum on Friday, June 3, from 1:00 - 2:30 pm.** Ms. Prairie Rose Seminole, ELCA Program Director for American Indian and Alaska Native ministries, will be with us.

**Since this 1:00 pm Forum will be just before the official start of the Assembly, we encourage voting members and visitors to join us! We hope to see you there!**

## Three Reformation Cities

Tom Lee and I have known each other since 1965 when we were both interns in southern California. We both went on to do graduate work after receiving our M.Div. degrees (then known as B.D.)

Tom is a scholar. I am a tactile learner. Mostly I learn by traveling. I have spent time in all of the "Three Reformation Cities" which Tom mentions. I have visited the Castle Church in Wittenberg. The original wooden doors were destroyed by fire and replaced by bronze which nails don't penetrate. I have visited Calvin's church in Geneva, a huge cathedral-like structure, austere gray stone and stripped of most of the Pre-Reformation Roman Catholic decoration. I found his grave in an out-of-the-way cemetery. At least I think it was his. It had a modest marble stone marked simply "JC."

But Constantinople??? A Reformation city? I've visited the absolutely awe-inspiring Hagia Sophia, built 532-537, the largest church in Christendom for 1,000 years; transformed into a mosque when the Ottoman Empire took over and renamed the city Istanbul. Atatürk, father of modern Turkey changed it to a museum after World War I to keep the Muslims and Orthodox Christians from fighting over it, saving it from possible destruction.

But-a Reformation city? Tom's Newsbrief opened a whole new perspective for me, indicating some of the connections between the Orthodox Church(es) and some in the Reformation tradition, both now and also back then. Thank God for scholars in our midst, like Tom Lee. [Read, and prepare to have your horizons expanded.](#)

**Previous news and notes:**

Dear sisters and brothers in Christ,

Please mark your calendars for the next live webcast, "A Place for All," on Wednesday, May 25, at 7 p.m. (CDT). As we continue the conversation on racism in the United States, we must look within our congregations and communities.

Do the people in our pews reflect the people in our neighborhoods? If not, how do we take steps to invite and welcome our neighbors to participate in the work of this church? How do we engage with and advocate for vulnerable populations?

As members of the ELCA, we believe that we are a church that belongs to Christ. There is a place for everyone here. Yet contentment, fear or racism - individual and institutional - can hold us back from being the diverse, welcoming church that Christ calls us to be.

Please join me once again for a conversation with panelists from the ELCA who are committed to and experienced in growing diverse communities of faith. Together we welcome:

- The Rev. Ruben Duran, director for new congregations for the ELCA
- The Rev. Matt Stuhlmuller, pastor, Redeemer Church, Chicago, Ill.
- And moderator, Mikka McCracken, director for planning and engagement, ELCA World Hunger

Tune in to the live webcast on May 25 by visiting [ELCA.org/webcast](http://ELCA.org/webcast), where a link to the recorded video will be made available after the broadcast. A live stream also will be available at [Facebook.com/Lutherans](https://www.facebook.com/Lutherans). If you would like to submit a question to be considered during the live webcast, please send it to [livinglutheran@elca.org](mailto:livinglutheran@elca.org) and provide your name and your congregation's name, city and state.

God's peace,

The Rev. Elizabeth A. Eaton  
 Presiding Bishop

## Cochamba and Futbol -Pastor Stacey Siebrasse

Visiting Cochabamba was one of the highlights on our trip to Bolivia. At least it was for me. The city parks and walkways are straight out of a storybook: lovers walk hand-in-hand, bushes are manicured to look like gumdrops, lights illuminate gushing water fountains, and flowers at the foot of leafy trees offer the kind of aromatic shade that entices readers to finish just one more chapter before going back to work. We saw a lot of cityscapes like these as we clicked along in our bus that took us from our inner-city hotel to the neighborhood of Taquiña. The closer we got to our destination, however, the less frequent these parks became.

## New LPA Class - Fall 2016

### **2016-2018 Lay Pastoral Associate Class Nominations**

Now is the time to consider lifting up individuals with the gifts and skills for the Montana Synod Lay Pastoral Associate program (LPA). The next class will begin in October 2016, but now is the time to be educating those in the congregation about the LPA program, and seeking their commitment.

The congregational meeting is a good opportunity to nominate and support those in your congregation who have the desire and skills to serve as an LPA in the Montana Synod. At this annual meeting the congregation can pray for and, with the guidance of the pastor, recommend individuals to the Bishop for approval.

For more information, go to the [Montana Synod website](#) or call Pr. Jason Asselstine, Associate to the Bishop.

## Interested in becoming an LPA?

1. Talk to your church pastor. Talk about what it means to fill in for him or her and the traits it takes to provide pastoral leadership (albeit, temporary).
2. If your church does not have a pastor, feel free to contact our office. We'll put you in touch with someone who can shed some light on the role of an LPA.
3. **Have your church pastor contact Bishop Crist or Rev. Jason Asselstine, Assoc. to the Bishop via email or phone call. This contact and conversation will be your pastor's recommendation for your participation in the MT Synod LPA program.**

After approval from the Bishop (to enter the program), please ensure you have the following items to our Synod office at least 3 weeks prior to the class start date (our staff admin person will send you the paperwork to begin the process):

1. Completed biographical, information sheet.
2. Initiation of a required background check
3. First year's payment of \$200 via check made out to "MT Synod" with "LPA training program" in the check's memo section. This can also be brought with you to the 1st group retreat.

Still have questions? Call our Synod office at 406-453-1461

## **DIGITAL EDUCATION**

### **Learning Our Place: Wilderness and Wonder from a Biblical Perspective**

With Dr. Kathryn Schifferdecker, professor of Old Testament at Luther Seminary This course explores the book of Job and several biblical texts for insights about God, creation and humanity. What kind of world is this? What is our place in this world? How does the Bible speak of wilderness and wild creatures? What about "acts of God?" Cost of 12 months of access to the class is \$40

### **Syria in the Bible and in the Early Church: A Heritage at Risk**

With Dr. Thomas Lee who served for many years as Lutheran campus pastor at the University of Montana, Missoula, where he also-as a faculty affiliate-taught biblical Hebrew and Aramaic in UM's Religious Studies Department. During the 1980s and into the 1990s he served on the staff of two archaeological projects in the Kingdom of Jordan and one in the Republic of Syria. In recent months we've become aware as well of the tragic loss of Syria's rich cultural heritage at the hands of ISIS and by those who profit from the looting and sale of antiquities. This loss of antiquities and the humanitarian tragedy are not unrelated. As Dr. Amr al-Azm, a former official in the Syrian Ministry of Antiquities who now teaches Middle Eastern History and Archaeology at Shawnee State University in Ohio, reminds us: "A people without a history is a lost people . . . and history without people is meaningless." Not only the Syrians, but we too are deeply invested in Syria's history as evidenced by the bible and in the history of the early church. The loss of Syria's cultural heritage, then, is not only a tragedy for the Syrian people, but a tragedy for us as well. In this NRIT presentation by Tom Lee, we will explore the importance of ancient Syria for the bible and the church and will attempt to convey some sense of the threat posed by the Syrian civil war to our common cultural heritage.

The Cost of the class is \$25. After the percentage taken out by the online registration company, the remaining amount of each registration fee will be sent to the American Schools of Oriental Research for their "Syrian Heritage Initiative." ASOR's "Syrian Heritage Initiative" is committed to assist in whatever ways possible the preservation of antiquities under threat by the Syrian civil war.

*To purchase these classes, go to [www.nrit.org](http://www.nrit.org). Click on the NRIT logo on the upper left side of the page. This will bring you to the NRIT home page. Under the logo, to the right side, click on NRIT Digital Education Store. Then click on the class you would like to access. You will need to pay online with a credit or debit card. After you have placed your order, you will be sent an email with all of the access information. Look for more offerings to come!*

The Reformation 500 Task Force is looking for people to serve with our group. The only requirement is an interest in Reformation history and how the church is continually reforming. Many of our meetings are held via Google Hangouts so that very little lengthy travel is necessary, also helping to fulfill the first benchmark of the Montana Synod, "Meet the future boldly." If you would like to join our fun group, please contact Rev. Tonya Eza.

In conjunction with the Montana Synod's third strategic benchmark, "Deepen faith and witness," the 2016 Synod Assembly and Theological Conference theme will be the 500th Anniversary of the Reformation. Yes, it's a year early, but this is part of how we meet the future boldly, so that when 2017 comes along, we will all be prepared! In conjunction with the Synod Assembly, the Reformation 500 Task Force is sponsoring a Reformation stole and banner contest. We invite the member congregations of the Montana Synod to bring original stoles and/or banners with them to the Synod Assembly in June. Following are the rules that we ask you to follow:

If you are making a stole:

- Stoles must be able to be worn while presiding over worship, and should be able to withstand 10 worship services (feel free to experiment with materials!).
- Stoles should be between 3" and 6" wide at the shoulder, and between 48" and 54" long.
  - o Be sure also to consider weight of stole and range of motion for the pastor in your design.

*Stoles need to be appropriate for a liturgically red service*

- o Red doesn't need to be the only color in the stole, but it should play a prominent role in the color palette of the stole.
- The stole should be your own original design - it is fine to use established patterns (provided they are not copy-written) as long as they are put together in your own way.

#### **If you are submitting a banner:**

- Banners should be appropriate for display in a worship context
  - o The size of the banner should be able to fit comfortably within the dimensions of your sanctuary.
- Banners should be of an original design. You may use established patterns (provided they are not copy-written) as long as they are put together in your own way.

Please bring the stoles and banners with you to the Synod Assembly, and they will be displayed in a place where everyone can see. Assembly attendees will vote on their favorites.

Questions? Please contact Rev. Tonya Eza, chair of the Reformation 500 Task Force, or any of the other members of the group.
