**Room Block (Expires May 12, 2022)**

We will be having our assembly in person this year! A live stream will be provided but there will be NO online voting. All voting members will need to be present in order to cast their votes.

As per the Assembly Rules:

**Addendum to the 2022 Assembly Rules**

All voting members and visitors will be expected to be fully vaccinated (except for medical reasons) as defined by CDC guidelines at the time of the Synod Assembly. Alternatively, a negative test the day before arrival will be acceptable. Monitoring will be done on the honor system, and each attendee will be trusted to make their own decisions in the spirit of Christ’s ongoing call to us to love our neighbor and seek their health and well-being.

Masks will be optional unless circumstances arise that will again require us to wear masks while gathering. The Yellowstone County Health Department and the CDC guidelines will be consulted for recommendations one week before the date of the assembly and a final determination regarding mask use will be made then.
