Covid Relief information from Region 1 Disaster Response

On March 24 FEMA announced a funeral expense help fund for people who have lost loved ones to COVID-19. [The link for this announcement is here](#).  

[More information on the program is here](#). The program will be initiated in April, but a specific date has not yet been published.

Be aware, there are lots of scams out around this offering. It is easy to imagine how people who have suffered losses would be easy targets. So, information and facts would seem helpful here. FEMA, once they get started, will offer a toll free number for people who wish to apply. They will not be calling people who have suffered losses, and they will not be taking applications online. This is for the safety of the public.

Thanks,
