Montana Synod Weekly Announcements June 14, 2021

Come and Celebrate Juneteenth

Dear Faith Leaders in the Montana Synod,

Please find and share with your congregations any events being held in recognition of Juneteenth in your area! Information of one such celebration in Great Falls:

On Saturday, June 19, from 1-5 pm, Great Falls will celebrate Juneteenth in the bandshell area of Gibson Park. The formal program will include a proclamation from the Mayor, an historical overview, welcoming speakers from the YWCA and Malmstrom Air Force Base's Diversity and Inclusion Team, and the beautiful sound of the Alexander Temple's New Birth Choir. Mostly, though, the event is an informal one-a block party at the park, free and open to the public, time to enjoy great food, good music, and fun games as families, friends and community members.

Juneteenth commemorates the day that the word of the Emancipation Proclamation and the 13th Amendment abolishing slavery reached Texas, and the last enslaved people were finally freed. This celebration is for everyone. Please join us!

2021 Chico Gathering November 2-5, 2021

Welcome all ministry leaders to the deferred Chico Gathering! This past year has been unusual – so why shouldn't our Chico Gathering be?!? We will retain our traditional schedule of free afternoons

(ahhh – for some, that's all you needed to hear!); however, this year will be a hybrid event with the Bishop's Convocation. We understand that not all ministry leaders attend the Chico event, however the Bishop's Convocation is a required event. Therefore, we are working on a virtual attendance option for the sessions.

Mark your calendars and watch for further information (theme, schedule, etc.) in coming months!

Room Reservations: you may make room reservations immediately by contacting Chico Hot Springs directly (www.chicohotsprings.com or 1-406-333-4933). There are rooms blocked out for our event – indicate you are part of this group.

Gathering Registration: watch for registration information in early September.

**The Third Biannual
Fall Sojourn to Holden
September 26th - October 3rd**

**Now is the time to make plans for a
special week at Holden Village and
invite your friends!**

Holden is a retreat center for adults and families, nestled in a beautiful valley in the Cascade Mountains of Washington State.

Fall is a wonderful time to visit the Cascade Mountains. While at Holden Village you will have the opportunity to create your own rhythms of each day according to your interests. Teaching sessions and opportunities for creative engagement will be bountiful. You are encouraged to take time for rest and recreation - hiking, fly-fishing, weaving, other crafts, and a host of other activities. Please spend some time exploring Holden's website (holdenvillage.org) and consider exploring the Village in person.

After the busy summer schedule, fall is quieter and a beautiful time to visit. This late September week will feature the following teaching staff.

- **Rick Brown, PhD - Clean Energy as a Core Strategy to Address Climate Change.** Rick is Founder and President of TerraVerde Energy from 2009-2020. He has led a team that has developed over \$4,500 Million in clean energy projects. He has also been deeply involved in California legislation and regulation regarding clean energy and has been called on by the California Public Utilities Commission, California Energy Commission, and the Legislature to provide expert testimony on a wide range of clean energy issues
- **Pr. Jessica Crist - The Doctrine of Discovery — How Rick Santorum (and just about everyone else) Got it All Wrong.** Jessica has degrees from Yale and Harvard and is the former Bishop of the Montana Synod. She coordinated the ELCA's commemoration of the women's ordination anniversaries and currently co-chairs the ELCA's Task Force implementing the 2016 repudiation of the doctrine of discovery. She has been an advocate for Native American issues.
- **Pr. Mark Gravrock - The Reign of the Gathering God: The Gospel of Mark for 2021** Mark is a teacher and pastor, and has found the same vital center of joy in each setting of ministry: the place where the living word of God intersects with real, concrete daily life. He has taught Bible, Greek, and Christian spirituality for 22 years at Trinity Lutheran College in Washington.
