

TRAVEL EQUALIZATION REIMBURSEMENT

Voting members who drive will be reimbursed on the basis of miles driven and number of voting members who are passengers.

Reimbursement will be allowed for all voting members from Montana Synod congregations who reside **100** miles (round trip) or more from Great Falls. Travel equalization will be paid as follows:

- .08 per round-trip mile if driving alone
- .14 per round-trip mile with one voting member passenger
- .17 per round-trip mile with two voting member passengers
- .20 per round-trip mile with three voting member passengers
- .24 per round-trip mile with four voting member passengers
- .28 per round-trip mile with five voting member passengers

Once you register at the Assembly, you will be directed to another table to fill out your Travel Equalization Request Form. You will be paid in cash.

Synod Council members may choose to either be reimbursed on their travel vouchers or take the mileage equalization.
