An Original Liturgy from the MT Synod Changing Climate Task Force

Dearest Colleagues, are you tired of teaching all about bread? Remember, this is Year B and we who follow the RCI have 6 weeks on bread toward the end of August. What if the Climate Change Task Force gave you a fully built liturgy, sermons (or sermon guidance), videos, new songs, and new prayers all geared toward Creation Care that you could sub – in during that 6 week cycle? During this workshop, the Task Force will provide an introduction to the new liturgy, have a text study on the chosen scriptures, and provide an update on what the Task Force is currently doing.

Date: April 29

Time: 5-8pm MST.

Cost: \$25 (includes access to the liturgy after the class)

Montana Synod Devotion for the Easter Season is Ready to be Distributed in Your Congregation

Leaders and pastors in the Montana Synod have written reflections for Easter Season Devotions that are now available for congregations to print to distribute to people in congregations or to prepare to share on the Congregations' web site or Facebook page.

The document is available [here as a PDF link](#). It is also

EQUIPPING...
FOR THE WORK OF MINISTRY

EASTER SEASON DEVOTIONS
WRITTEN BY LEADERS IN
THE MONTANA SYNOD

available to download on the Montana Synod website. It prints out well as a bifold booklet, IF your printer has that capability. Otherwise, it will print with each page being 8 1/2 x 11 in size.

If you prefer to post each day's devotion on your congregation's Facebook page, you can do that from the Synod's website or share it from the Synod's Facebook page.

Congregations and leaders are encouraged to share this as a way in which the whole Synod is growing together as we are "equipped for ministry."

Please contact Candi in the Synod office if you have questions about how to print the document. Please contact Colter if you have questions about how to share the devotions electronically.
